

Services

Construction Insurance

Citynet Insurance Brokers are specialists within the HIGH-RISK CONSTRUCTION SECTOR in Ireland and the UK, providing concrete insurance solutions where your local insurance markets are unable to assist.

Being a wholesale Lloyd's broker, with a proven track record in providing bespoke insurance solutions for the past two decades, we strongly believe that insurance is about more than simply being there to pay the claim, it's about relationships, acting with integrity, honesty and transparency, continuously striving to help our customers and be better than we were yesterday.

Key Benefits

- Only use A-Rated markets
- Low minimum premium
- Quick quote turnaround
- One stop solution for CAR / Plant / JCT 6.5.1
- Extensive policy wording
- Restricted agency base

Target Trades

Our facilities are designed to cater for a wide range of construction and contracting trades on both annual and project basis. Policies can be written in the name of the contractor, principal or joint names, depending on the requirements of your client.
