

Services Product Recall...

Citynet Product Recall solutions team understands the complexities of these exposures and are well placed to guide you through the pitfalls. Above all we are best positioned to helping your clients bridge gaps in the cover that occur in conventional policies.

Recalling products is an expensive and a worrying prospect for any business. The costs associated with dealing with a product recall either directly or indirectly can be huge therefore can have a real potential to ruin a brand's reputation as well as significantly impacting the balance sheet.

Who is it for?

Our Product Recall solutions are aimed at a wide range of industries, including but not limited to:

- Mid-size companies to large multinationals
- Manufacturers or licensed distributors of consumer products
- Food and beverage
- Automotive components
- Precision engineered components
- Electronic/hardware components
- Consumer products
- Restaurant contamination
- Consumer durables
- Non-invasive medical devices
- Nutraceuticals

What do we do?

Our Product Recall solutions offer your UK and Irish clients cover for:

- Premises and Product rectification costs
- Loss of future sales
- Ancillary costs
- Comprehensive brand and reputation protection
- Business interruption – loss of gross profit
- Consultant's costs
- Defence costs
- Extortion costs
- Recall expenses
- Rehabilitation expenses
- Third Party financial loss
- Third party recall expenses
- Refund/Repair/Replacement expenses including enhancement options
