

CITYNET

LLOYD'S BROKER

Courier Insurance Solutions

Boasting one of the largest motor fleet broking teams in the London Market, Citynet Insurance Brokers has unrivalled access to the leading insurance and re-insurance markets providing products designed to offer cover to protect your clients. .

Courier insurance protects individuals and businesses that run with high daily mileage and make multi-drop deliveries on a time-sensitive basis.

If your clients don't have Goods in transit cover, it might be that this is something that they should consider as they will be responsible for any loss, damage, or theft that happens to the goods when delivering them between a business and a customer. We have markets available to us that embrace the use of technology to drive down claims costs which ultimately results in reduced premium spends.
