

Bus, Coach, Minibus and Own Goods Use Insurance

Citynet Insurance Brokers has secured support from rated capacity to place Bus, Coach, and Minibus Motor business on a wholesale basis. Our Insurer will consider a variety of risks, from family-run operators to large corporate entities.

Bus, Coach, Minibus and Own Goods Use

Citynet's Motor Fleet Division already has wide access to Lloyd's and London Market insurance providers, and this new partnership further strengthens our offering to broker partners. Together, we're delivering a tailored solution to the UK passenger vehicle sector in an increasingly limited and competitive marketplace.

Through our new facility for Passenger Transport, we are looking for risks across the spectrum of the sector from small family operators to large commercial entities, those with a chequered claims history and those with no claims, those with a sophisticated attitude to risk management, as well as those less so.
