

CITYNET

LLOYD'S BROKER

Entertainment, Contingency, Sports & Leisure

With recent world events, protecting your clients' business against unforeseen circumstances may feature highly across business planning.

Contingency Entertainment & Leisure present a very specific set of exposures where digital and online risks can be global.

Our team of specialists will find the right solution for all types of organisations, ranging from event organisers, cancellation cover to sports clubs and leisure activities. We deliver competitive and tailored insurance solutions backed by A rated capacity and provide the tailored service that our retail brokers demand for their clients.
